

Erasmus+ Project **Zero Waste Cuisine for a Sustainable Future**

<https://erasmus-plus.ec.europa.eu/projects/search/details/2019-1-LT01-KA202-060617>

The results are produced in all the languages of the project partners, which makes it look very document-intensive. But the main outputs are: situation analysis, Zero waste in the kitchen module, recipe book, recipe video.
